Moulded Exciter Guards

When dealing with demanding operating conditions, turn to our Moulded Exciter Guards. Made with balanced polymer, our guards are lightweight, high strength and corrosion resistant. Moulded Exciter Guards are designed to be robust and reliable, while providing easy maintenance, reduced costs and improved safety for your team.

Key benefits

Enhanced reliability and sustainability

Outpacing the competition means having equipment and components you can depend on. Our Moulded Exciter Guards provide a reliable, sustainable solution.

- Manufactured with low stress, high stiffness and strength balanced polymer material
- Corrosion resistant
- UV stabilised
- 100% recyclable

Improved safety and maintenance

There is nothing more important than the safety of your employees. Our Moulded Exciter Guards are manufactured with operator safety and maintenance costs as a central concern.

- Lightweight with in-built handles for optimal ease of handling
- Easy, safe installment without the need of modifications
- Highly visible yellow exterior that complies with safety colour coding regulations

A retrofit design, lightweight and safer to install

Long-lasting performance

Every time you have to shut down your equipment for maintenance or repairs, your business suffers. Moulded Exciter Guards are built to last, so that your screens can keep doing what they are designed to do with increased efficiency and reliability. The guard's homogeneous moulded manufacture eliminates fabricated joints, reducing stress points and increasing strength. And because they are made from a non-corrosive polymer material, Moulded Exciter Guards will continue to perform — even in the harshest environments.

Product features

- Moulded manufacture
- Elastomeric material
- Withstands traditional vibration forces
- Two-piece construction
- Fully interchangeable
- Y14 safety yellow
- 100% recyclable

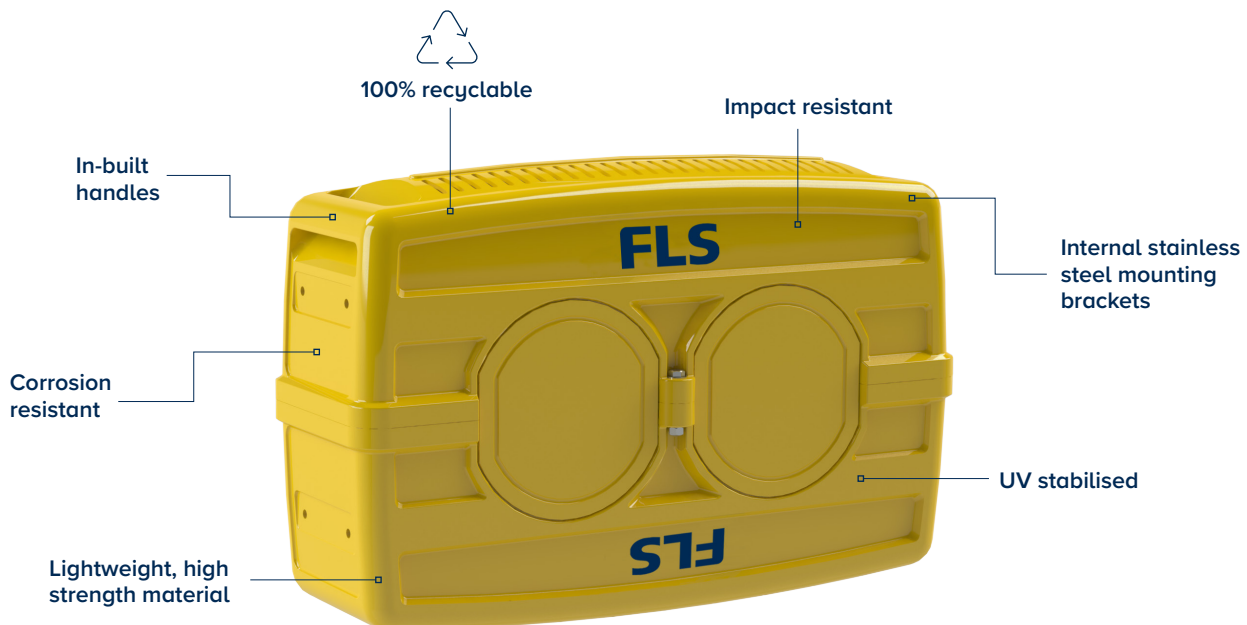

Applications

Moulded Exciter Guards are appropriate for all minerals applications, including but not limited to coal, copper, gold and iron ore.

Moulded Exciter Guard Catalogue

	Exciter Series	Part Number	Availability
150 series	LE150	400054194	✓
	HE150	400049977	✓
80 series	LE80	400054195	✓
